

SPECIALTY CONTRACTORS & RESOURCES FOR HISTORIC HOMES

*This list is for informational purposes only and should not be considered referrals of workmanship.
Updated March 2024*

Contractors doing work in Shaker Heights are required to be registered with the city; most work requires a building permit. Contact the Building Dept. at 491-1460 for additional information.

Design review by the Architectural Board of Review or the Landmark Commission may also be required for exterior projects. Contact the Planning Dept. at 491-1430 for additional information.

GENERAL RESOURCES

Cleveland Restoration Society

The Cleveland Restoration Society provides professional technical advice to owners of older and historic homes in Cuyahoga and Summit Counties.
