## THORNTON PARK

Thornton Park is the home base of the Shaker Heights Recreation Department, and the facility offering the widest range of recreational amenities in one central location. Thornton Park has a variety of activities for all ages including a sand volleyball court, a skate part, a basketball court, tennis and pickleball courts, as well as a playground and walking trails. In the winter, the hill in the middle of the park becomes the best place for sledding fun in the city! Thornton Park was named after Charles A. Thornton, who was a dedicated volunteer to the Recreation Department from 1921-1950 and served as its first Director from 1950-1958.
